

Report Template

Results from our Summary Profile

Refer to work done on Worksheets 'Exploring Our Summary Profile' to compile this Report.

This Report Template is designed to help synthesise our findings from the Summary Profile into a report.

Photocopy or download the Summary Profile to accompany this Report. Circulate the Profile Number to a group to enable online access to the Profile if desired.

1. What findings in the **Summary Profile** do we wish to highlight?

2. What insights do we wish to share from the **Summary Profile**?

3. What action or next steps do we recommend?
